

REDLUBE PREMIUM 4T 20W-40

DESCRIPTION

REDLUBE PREMIUM 4T 20W-40 is a high-performance motor oil for contemporary motorcycle engines. Although designed for the newest engine technology, **REDLUBE PREMIUM 4T 20W-40** also offers exceptional protection for older engines, keeping up with major OEMs' development trends. Our Easy Spread Technology ensures quick and steady flow of the lubricant throughout the engine which helps reduce cold start wear and tear. It remains viscous in high temperature and provides maximum performance under extreme pressure. Made up of highly refined premium minerals and an innovative additive system, **REDLUBE PREMIUM 4T 20W-40** is the best bet you can make for your motorcycle.

FEATURES AND BENEFITS

- Balanced grade oil and additives safeguard the engine and gearbox in a single circulation system, keeping the engine clean and free of corrosion.
- **EST** ensures quick and steady flow of lubricant throughout the entire engine which help reduce cold start wear and tear.
- Ability to remain highly viscous in high temperatures help provide maximum performance under extreme pressure.

SPECIFICATIONS & APPROVALS

REDLUBE PREMIUM 4T 20W-40 satisfies or surpasses the following performance criteria:

- API SL/SJ/SG
- JASO MA2

ADVANTAGES

REDLUBE PREMIUM 4T 20W-40 offers the following advantages:

- Longer Engine Life
- Reduced Oil Consumption
- Perfect Lubrication & Power

TECHNICAL SPECIFICATIONS

REDLUBE PREMIUM 4T 20W-40

PROPERTIES	ASTM TEST METHOD	TYPICAL VALUES
Appearance	Visual	Clear & Bright
Colour ASTM	Visual	Golden
Density @ 29.5°C, gm/cc	D4052	0.8700
Kinematic Viscosity @ 40°C, cSt	D445	122
Kinematic Viscosity @ 100°C, cSt	D445	15.05
Viscosity Index	D2270	115
Flash Point, °C	D92	240
Pour Point, °C	D97	-30
Total Base Number, mg KOH/gm	D2896	6.00
Mini-Rotary Viscometer, Apparent Viscosity, -20 C, mPa.s, ASTM	D4684	12500

ENVORNMENT, HEALTH AND SAFTEY

Avoid disposing of used oil in the ground, sewers, or water. Dispose of used oil at a designated collecting location. This product is not expected to produce adverse health effects if used for intended application with proper safety procedures. Please avoid prolonged skin contact with all types of motor oil. Wash with water and soap after any skin contact.

STORAGE

Store the products indoors and avoid direct sunlight or heat. Please keep the container in closed condition always.
