

RED LUBE PREMIUM HD 20W-50

DESCRIPTION

REDLUBE PREMIUM HD 20W-50 is a multigrade diesel engine oil with an optimized blend of base oils and an advanced additive system. It is recommended for heavy duty diesel vehicles with increased engine power output and load capacity.

FEATURES AND BENEFITS

REDLUBE PREMIUM HD 20W-50 offers the following Features and Benefits:

- Good protection against rust and corrosion
- Longer equipment life and reduced operating costs
- Thermal and oxidation stability
- Controls sludge build-up and deposits

SPECIFICATIONS & APPROVALS

REDLUBE PREMIUM HD 20W-50 satisfies or surpasses the following performance criteria:

- API CH/SJ

ADVANTAGES

- Excellent detergency, anti-wear, and antioxidant qualities.
- Better engine protection for essential engine components.
- Reduces the production of sludge.
- Increases engine performance and decreases deposits.
- Prolonged Drain Period
- Offers total engine protection at all engine speeds and operating circumstances.

TECHNICAL SPECIFICATIONS

REDLUBE PREMIUM HD 20W-50

PROPERTIES	ASTM TEST METHOD	TYPICAL VALUES
Appearance	Visual	Clear & Bright
Colour ASTM	D1500	L 3.5
Density @ 29.5°C, gm/cc	D4052	0.8721
Kinematic Viscosity @ 40°C, cSt	D445	150
Kinematic Viscosity @ 100°C, cSt	D445	16
Viscosity Index	D2270	137
Flash Point, °C	D92	244
Pour Point, °C	D97	-30
Total Base Number, mg KOH/gm	D2896	10
CCS Viscosity @ -20°C, cP	D5293	6160

ENVIRONMENT, HEALTH AND SAFETY

Avoid disposing of used oil in the ground, sewers, or water. Dispose of used oil at a designated collecting location. This product is not expected to produce adverse health effects if used for intended application with proper safety procedures. Please avoid prolonged skin contact with all types of motor oil. Wash with water and soap after any skin contact.

STORAGE

Store the products indoors and avoid direct sunlight or heat. Please keep the container in closed condition always.
